- _____ Calculator: TI-30Xa is sufficient for Grade 10 math. The TI-83, 83 plus, 84, or 84 plus are recommended for Gr. 11 & 12 Math. *NOTE:* One graphing calculator per family seems to work well. *NOTE:* Physics 30 students will need at least a TI-30Xa calculator, but the TI-83 or TI-84 is recommended. No cell phones or cell phone calculators will be allowed for exams or class use.
